Welcome to Adventist Health and Rideout Hospital

The Adventist Health and Rideout campus occupies six square blocks in the historic City of Marysville. It includes our renowned Adventist Health and Rideout Cancer Center, a partnership with UC Davis Health System, Physician Offices, an expanded Emergency Department, a Level III Trauma Center & STEMI-receiving center and the Adventist Health and Rideout Hospital.

SITE SERVICES:

Adventist Health and Rideout provides acute care services to residents of Yuba, Sutter and the surrounding region, including Emergency services and Level III Trauma center and a rooftop Helipad allowing us to receive patients from farther afield, as well as transport patients with specialized needs to specialty centers more expeditiously.

The new hospital building also offers the following regional services:

- New sophisticated diagnostic imaging technology;
- Expanded and enriched cardiovascular services;
- Labor & Delivery Services, a Well-Baby Nursery and a Neonatal Intensive Care Unit

ACCESSIBILITY

MAIN ENTRANCE

The main entrance for Adventist Health and Rideout is located on Fourth and G Streets.

EMERGENCY ENTRANCE

The Adventist Health and Rideout Hospital Emergency Department entrance is located on 3rd Street between F & H Streets.

BY CAR

Most visitors will enter the hospital grounds via the main driveway located at Fourth and G Streets. Parking is available at the front of the hospital and on the streets surrounding the hospital. There is no cost for parking.

VALET PARKING

Valet parking is available from 7a-8p Monday through Friday and is located at the round-about in front of the main entrance to the hospital. There is no cost for Valet parking.

BY BUS

Bus services are provided by Yuba-Sutter Transit and transit areas can be found on 3rd Street (near ER entrance, Westbound) and on H Street (Southbound) next to the hospital. Bus schedules can be found at yubasuttertransit.com

ACCESSIBILITY

Adventist Health and Rideout has been designed to provide an accessible environment, including Handicapped accessible parking spaces, washrooms and reception areas.

Handicapped Parking is available in any of the Handicapped Parking spaces located in the front parking lot near the hospital entrance and in parking areas surrounding the hospital. If you need assistance from the parking lot, please contact our information desk at 530.749.4300.

If you have a patient passenger who needs wheelchair assistance, please use our convenient drop-off area in front of the round-about at the hospital and request that a volunteer assist you.

VISITING, RETAIL SERVICES, INFECTION CONTROL

VISITING

Preferred visiting hours are 10a-8p. We ask you to please check with staff for specific guidelines for visiting your loved one.

RETAIL SERVICES

Miss Southern's Memorial Café offers meals and snacks and is located on the first floor. Indoor and outdoor seating is available. The gift shop is run by the Adventist Health and Rideout Auxiliary and is located on the first floor near the Sutter Buttes elevators. An ATM Machine is located in the first floor lobby near the Café.

INFECTION PREVENTION AND CONTROL

Stopping the spread of infection can be as simple as a thorough washing of your hands. For your convenience the hospital has hand-washing sinks in restrooms on every floor of the hospital and hand sanitation dispensers can be found throughout the hospital.

FIRST FLOOR LOBBY

The soaring two-story lobby brings in sunlight that highlights natural elements such as beautiful wood and nature-inspired colors. The comfortable waiting areas are enhanced by original art, a new gift shop offering fresh flowers and a self playing piano.

FOURTH FLOOR WELL-BABY NURSERY

Following delivery, all mothers and babies move to the fourth floor to private suites until they are ready to go home. The fourth floor also includes a Well-Baby Nursery and Neonatal Intensive Care Unit.

MISS SOUTHERN'S MEMORIAL CAFÉ

Miss Southern's Memorial Café was named in honor of the nurse who was Rideout's first Administrator. The expanded menu, which includes a coffee bar, pizza station, grill and salad bar, puts an emphasis on healthy eating, all overseen by our in-house professional chef.

The Main Entrance is the main point of entry for outpatients and visitors, providing quick access to key areas, including the Information Desk, way-finding information, registration desks and social spaces.

* The Art of Healing program sponsored by the Rideout Foundation placed artworks throughout. The pieces highlight a variety of art including: Paintings, photography, mixed media, metal, wood and fabric sculpture. Most artists have a Yuba-Sutter or regional connection, many of whom enjoy national and international reputations.
